

Office of the City Clerk

Weekly Report – for Week Ending September 29, 2017

OFFICE OF THE CITY CLERK – PROJECT HIGHLIGHTS AND STATUS

Elections

As reported last week the Outreach team conducted numerous presentations at various high schools throughout the City as part of the High School Voter Education Week campaign. Below is the final data indicating the number of students reached.

This week, staff is participating in various National Voter Registration Week events and making classroom presentations at several Los Angeles Community Colleges throughout the City. Voter registration numbers will be available next week.

Business Improvement Districts (BIDs)

On September 27, 2017, the 2017 Annual Planning Report for the South Los Angeles Industrial Tract Business Improvement District was adopted by City Council.

NC Funding

NC Funding system training was held this week at City Hall on Monday, September 25, 2017 and in the North Valley on September 27, 2017.

Systems

The Los Angeles Fire and Police Pensions in-house election is now concluded. The tally was run using an in-house developed application. A total of 1,515 ballots were counted.

Office of the City Clerk

Weekly Report – for Week Ending September 29, 2017

Staff completed the development of the quarterly data collection module for the Business Improvement District system. The new feature allows the BID Administrator to provide the City with detailed information to be included in the BIDs quarterly reports.

The Council Clerk's Electronic Speaker Card control unit has been replaced with Android tablets. The new units have faster startup times and a faster touch interface than the previous Microsoft platform.

Upcoming

The City Council meeting for Friday, October 6, 2017 will be held at the Van Nuys City Hall.
